The Statistical Abstract is alive and well!

Bernan Press and ProQuest have teamed up to rescue one of **libraries' most valued reference tools**, the **Statistical Abstract of the United States 2013**. The print edition will be as identical as possible to previous editions, with tables, detailed bibliographic documentation, an updated back-of-the-book index, and updated introductory sections.

Visit Bernan Booth #1439 for more details and enter to win \$250 worth of books!
